Re: Receipt of Notice of Intention to Commence Small Mining Operations

Dear Mr. Bhayani:

As per the recent Memorandum of Understanding between the Department of Environmental Quality and the Division of Oil, Gas and Mining, signed September 1, 1999, we are forwarding a copy of the following Notices of Intention to Commence Small Mining Operations for your review. Please note that *two* notices came in; however, the operator requested that we combine them as one, if possible. As the two proposed projects only total 3.79 acres of disturbance when combined, DOGM will review them as one permit.

DOGM File Number
S/019/051

Project Name
313 & 191 Harvesting Area

Operator Name
Quint Star Management Co.

We need to review these permits and respond within 15 days. Please forward any comments you may have regarding these projects.

Sincerely,

A handwritten signature in cursive script, reading 'Joelle'.
